

2004 Essay Contest

North Carolina Right To Life
2004 Essay Contest

Open to Grades 7-12

Theme:

**Stem Cell Research: Dispelling the
Myths**

Major media and research groups want to receive federal funds for embryonic stem cell research. Pro-life groups contend that federal funds should not be used to destroy innocent human life and point to adult stem cell research as an acceptable, promising alternative.

**Essay Must Reflect Pro-Life Position
Must be Typed with Sources Properly Documented**

**Entry Deadline:
December 8, 2004**

**Prizes:
\$100 Savings Bond for Winners in Two Divisions:
Grades 7-9, 10-12**

**Submissions to:
North Carolina Right To Life, Inc.
P.O. Box 9282
Greensboro, NC 27429-0282**
